

Some people travel around the world looking for answers, What time will the sun rise or set? Why Isn't it so much the heat as it is the humidity? Do I need to wrap my pipes? Ahh, My friends, your search is over. [Ask The WeatherMan !](#) KCTI AM 1450 Weathercenter Meteorologist Bill Hecke is here to answer your questions, and we'll even include some of your questions on the air! If by chance, you send an email asking your fortune, dating advice, getting rid of grasshoppers, where to buy guinea eggs, lucky lotto numbers or world news, you're on your own! Bill would love to hear from you so [click here to ASK THE WEATHERMAN](#)
